FIFTEEN CENTS

Sequoits Open Here Saturday

By JERRY PFARR

The ? about the Antioch High School football team may straighten up and look like a ! Saturday afternoon.

That's when the Sequoits open their season against the Round Lake Panthers.

The question is whether the Sequoits are better than their 3-6 record of last year. And whether they can repay Round Lake for beating them in the final 18 seconds last season.

Kickoff time is 2 p.m., following a 12 noon sophomore game.

Neither Antioch nor Round Lake is a favorite in the Northwest Suburban Conference. The league's coaches consider Warren's Blue Devils the team to beat and Cary-Grove and Woodstock the teams that may beat them.

In other openers Saturday, Warren plays at Lake Zurich, Grant at Stevenson, Woodstock at Wauconda and Grayslake at Cary-Grove.

IF ANTIOCH knocks off Round Lake on Saturday, another tough one is right around the corner. The Sequoits' second opponent will be Woodstock on

QUARTERBACK CORPS -- Antioch High School appears stronger at quarterback this season. Coach Roy Nelson feels the Sequoits will display a new passing threat

in Saturday's opener here against Round Lake. Competing for the No. 1 spot are (from left) Kevin Ano, Jeff Harceg, John Bodin and Jim McLellan.

Friday night, Sept. 13 at Woodstock.

Coach Roy Nelson of Antioch says his team is ready to play a good football game this week.

He says his Sequoits have more speed than last year and a new passing threat. At least three quarterbacks are still in the running for the starting spot.

There are nine returning lettermen:

Quarterback Jeff Harceg, linebacker Frank Pleviak, halfbacks Mike Jones and Karl Blumenschein, defensive halfback Terry Lear, tackle Larry Lloyd, guard Chuck Smith, tackle Art Meyer and defensive end John Sondag.

Round Lake has six returning lettermen including three names you'll hear often Saturday:

Quarterback Odie Carter, Halfback Glen McDermitt and fullback Dave Sutton.

HISTORY-MAKING DOG-- State Rep. Donald Deuster (R. Mundelein) is shown at the Capitol where his dog, Pepsi, made history by attending a bill-signing ceremony in the governor's office. Deuster sponsored an amendment allowing Illinois counties to abolish or lower the \$4 dog registration fee. Pepsi is an altered black female Labrador-Pointer and is sitting at Deuster's desk in the House Chamber.

Republicans Plan Annual Steer Roast

The Lake County Republican Control Committee and Republican Officials will be hosting their 7th Annual Steer Roast on Sunday at the Serbian Monastery in Libertyville. Tickets are \$2 per person.

The public is invited to attend this family event to meet Republican officials and candidates. There will be door prizes, free rides, games, balloons for the children and, of course, good food.

General Chairman of the Steer Roast is Orville "Pat" Clavey, Sheriff. Other members of the committee are: John Darrow, Auditor; Stephanie

Sulthin, Circuit Clerk; Oscar Lind, Coroner; Frank Nustra, Recorder; Jack Hoogasian, States Attorney; Terence A. Tucker, Treasurer; James G. Flood, Supt. of Ed. Service Region; William L. Thompson, candidate for Supt. of Ed. Service Region; Margaret W. "Suzie" Metzler, candidate for County Clerk; W. J. Murphy, chairman of the Lake County Republican Central Committee.

Tickets for the event may be obtained

at the Lake County Republican Headquarters, 128 N. Genesee St., Waukegan or at the gate.

Betsy Rossen To Write For Purdue News

WEST LAFAYETTE, Ind. Betsy Rossen, staff writer and photographer for the Antioch News during the summer, has been named to the staff of Purdue University's News Service.

Miss Rossen is a junior at Purdue majoring in journalism. Her work with the news service will help fulfill the requirements of a journalism practicum course.

She will report student news and features and contribute to the Purdue publication, Perspective.

Miss Rossen is the daughter of Mr. and Mrs. Robert Rossen, Park Ridge. They have a summer home on Loon Lake. Betsy was graduated from Maine South High School in 1972. She has been on the staff of the Purdue yearbook, the Debris.

THE "SWORD OF HOPE" is displayed by Preston Reckers of Antioch, a volunteer for the American Cancer Society's Lake County Unit. The sword is a symbol of hope and faith for millions of Americans.

Cancer Society Plans 3rd Annual Bike-A-Thon

Preston Reckers, Vice President of the State Bank of Antioch, is a top volunteer of the American Cancer Society's Lake County Unit. On Saturday, Oct. 5, at the third annual Bike-A-Thon sponsored by the Lake County Unit, he will have the single largest responsibility on Route 5, which covers all of the township of Antioch.

As route chairman, he will be in charge of the entire seven-mile route, ably assisted by members of the Antioch Fire Department (checkpoint 1), Mr. and Mrs. Steve Erickson of the Evangelical Free Church of Antioch (checkpoint 2), and the Antioch Jaycettes with Marcia Starcevic supervising (checkpoint 3), the Ray Atwoods' residence.

Mr. Reckers has been involved in many other areas of

the American Cancer Society, serving for a number of years as Crusade Chairman of Antioch Township on the Retail Trade and Industry phase of the Cancer Crusade. He has enthusiastically worked on the Bike-A-Thon since its inception in 1972. He is a member of the Lake County Unit Board of Directors and the ACS's Public Education Committee, Public Information Committee and Income Development Committee.

IN PREPARATION for the Oct. 5th cycling event, Reckers has already secured refreshments and prizes. The prizes include a 10-speed bike, donated by the State Bank of Antioch; a 5-speed bike, donated by the Shoe Box; a 3-speed bike, donated by Walsh's All-Seasons; and a 3-speed bike

donated by Antioch Bowling Lanes, Inc.

Reflecting on Bike-A-Thons of the past two years, Reckers said, "We are fortunate in having had volunteer help genuinely interested in the success of our Bike-A-Thons. In fact, I will appreciate a call from anyone who may be able to donate some time on Oct. 5 for distributing identification tags, validating cyclists' time and mileage and checking riders in and out of the route."

"I would like to appeal to the senior high school and young adult groups to bring their bikes and their energy to this event on Oct. 5. The response to our call for riders has mainly been from older people or the junior-high and younger children. I hope that we will fill this gap for the 1974 Bike-A-Thon."

He also adds that cyclists should remember that the route will be open from 10 a.m. until 4 p.m. and that they also may repeat the route as many times as they like. Helpful route signs are posted by the members of Boy Scout Troops 91 and 92 to eliminate any confusion for the riders.

APPLICATION FORMS for the Antioch Bike-A-Thon will soon be available at all of the schools in the area and at the State Bank of Antioch.

Reckers is convinced that each mile in the Bike-A-Thon is a step ahead in the fight against cancer. With few exceptions almost every family has, in some way, been affected by this disease. It is a real cause to work for. The 1973 Lake County Bike-A-Thon goal was \$24,000 and \$54,000 was earned for the Cancer Society. This year, the goal is \$100,000 and he is confident that the goal will be reached. Anyone interested in additional information can contact Mr. Reckers at the State Bank (395-2700).

Paramedics Upgrading Rescue Squads

A first for Illinois - the presentation of certificates for advanced Emergency Medical Technicians - was held recently at Evanston's Holiday Inn.

Representing the Antioch Rescue Squad Paramedics were Jim Koppa, Bruce Jablonski, Dave Heath, Gordon Volling and Tom Haley.

Mrs. Jan Schwettman, executive coordinator of the Public Safety Officers Foundation in Chicago and the pioneer in initiating the paramedic program in Illinois, was the keynote speaker.

Her involvement with the program has encouraged wide acceptance of EMT training in Illinois fire and rescue departments.

There are 237 paramedics in Illinois and 236 of them assist the communities of Cook and

Lake County.

Of the 37 paramedics trained through Dr. John P. Freeland at Victory Memorial Hospital, 14 are members of the Antioch Rescue Squad.

There is a bill on Governor Walker's desk that would insure new, improved and permanent paramedic legislation.

The Emergency Medical Technician training program is becoming widely accepted throughout the nation with nearly 5,000 advanced level ambulance personnel actively involved at this time.

The reality of our Antioch Rescue Squad paramedic program is evidence that our ambitious and concerned rescue squad members are professionalizing their service to meet the needs of a growing Antioch community.

Tax Bills Should Be Returned

Anyone in Antioch Township who received a Personal Property tax bill may return it to the Antioch Township office, 880½ Main Street, Antioch before making payment.

The Township Assessor's office says it hopes to have it

lowered because of an error in computation. There will be a new bill issued and no penalty for late payment. If anyone has further questions regarding this matter, please call the Antioch Township Assessor's Office at 395-1545.

Scouts Hold Annual Campout

Cub Scout Pack 80 and Boy Scout Troop 80 held their annual campout at Grass Lake School on August 24. Boy Scouts and Cub Scouts cooked supper for their families at 6 p.m. At dusk, the Indians of Troop 80, Jim Domkowski and Kevin Hassett, led the Cub Scouts and their

families to the Ceremonial Fire where Lee Ipsen, Scoutmaster and Dick Jorgenson, Assistant presented the boys of Troop 80 with merit badges and skill awards earned at Camp Ma-Ka-Ja-Wan this summer. Awards were given to Mike Anderson, Jim Bletsch, John

Barr, Dan Boarini, Kevin Walsh, Dan Vaughn, Scott Eicher, Ed Jorgenson, Grant Jorgenson and Eddie Unnerstal. Skits were presented by the Boy Scouts. Cubmaster Walsh announced Den meetings will begin Sept. 11. Please turn to page 4

State Pays Installment on RTA

SPRINGFIELD, Ill., — Gov. Dan Walker announced payment of \$17 million in state funds to finance operations of the Regional Transportation Authority.

The payment is the first installment of funds appropriated by the General Assembly for the state's fiscal 1975 contribution to support the RTA.

Offers Scholarship

College scholarships, from \$500 to \$5,000, are available to all high school seniors through the Betty Crocker Search for Leadership in Family Living, formerly the Betty Crocker Search for American Homemakers of Tomorrow.

An invitation to enroll in the program will soon be mailed to all high schools across the nation. Schools new to the event are invited to write the Betty Crocker Search, P.O. Box 1113, Minneapolis, Minn., 55440, for information.

Enrollment deadline is Oct. 31.

On Tuesday, Dec. 3, each participating school will administer a 50-minute written examination. From these results, a Betty Crocker Family Leader of Tomorrow will be chosen for each participating school. School winners are acknowledged with special awards and their examinations are entered in state competition.

Ford vs. Inflation

By REP. ROBERT McCLORY

In his first address to a Joint Session of the Congress, President Gerald R. Ford recognized that "inflation is the unanimous concern of Americans." It is appropriate, therefore, to consider President Ford's initial approach to the problem of spiraling inflation insofar as governmental action may be capable of keeping inflation under control.

A staunch fiscal conservative throughout his 25 years in the U.S. House of Representatives, President Ford has outlined a basic Federal program which includes: (a) controlling Federal spending, (b) working toward a balanced Federal budget beginning next July, (c) cooperating with the new Joint

Legislative Budget Committee, (d) re-establishing the Cost of Living Council, (e) convening an Economic Summit Meeting, and (f) other measures.

Holding the line on Federal spending may require some Presidential vetoes in the event the Congress itself acts irresponsibly. However, President Ford's capacity for cooperating with the Congress is more likely to result in curbing appropriations before they reach the stage of final enactment into legislation. Recently, the Federal Mass Transit bill experienced the Ford influence for economy when the U.S. House cut the bill's spending authority from \$22 billion to \$11 billion.

While the new Joint Legislative Budget Committee is just beginning operation, it is

expected that this newly created legislative mechanism will result in more responsible fiscal management in the Congress.

President Ford has recognized the general opposition to mandatory Federal wage and price controls. Nevertheless, it is the President's position that by reactivating the Cost of Living Council the Federal government will be in a position to monitor and publicize inflationary wage and price increases, and that public opinion will serve as a deterrent to abuses.

Not covered specifically in the President's remarks on inflation - but inherent in the Administration's approach to

50 YEARS AGO: SEPTEMBER 4, 1924

The large barn on the farm of Charles Butterfield, two miles southwest of Libertyville, was completely destroyed by fire last Thursday morning and 10 head of cattle were saved only with difficulty. The estimated loss is between \$6000 and \$7000.

The manner in which beer runners camouflage their cargoes in an effort to escape detection while transporting them through Lake County has reached the peak of ingenuity, it appears. County Motorcycle Officer B.C. Hamlin captured a truckload of eight barrels in a low truck, camouflaged to appear like a manure spreader.

Help For Parents Of Handicapped

Parents whose handicapped children are not receiving legally required special education services can get special help at weekly Parent Helper Sessions sponsored by the Co-Ordinating Council for Handicapped Children.

The Parent Helper Sessions are being held in conjunction with the Co-Ordinating Council's Mass Child Hunt to identify handicapped children not-receiving mandated special education services. State Law (HB1407, Art. 14, Illinois School Code), requires Illinois public schools to provide special education services for all handicapped children between the ages of 3 and 21, regardless of the severity of the child's handicap.

Sessions are held every Tuesday at 9:30 a.m. and the second and fourth Wednesday of every month at 7:30 p.m., at offices of the Co-Ordinating Council for Handicapped Children, 407 South Dearborn, Room 1090. Sessions are free to Council members, and \$2 for non-members. Non-members may join for \$6 a year.

For more information, interested persons may call the Council at 939-3513, or Mrs. Terry Brozek, 276-2260.

Gerald Dahlman of Antioch received his bachelors degree at the summer exercises of the 99th Commencement Aug. 16 at Brigham Young University, Provo, Utah. This is the largest church-related university in the United States. It is operated by The Church of Jesus Christ of Latter-day Saints.

ENGELHARDT-PFAEHLER

In an old fashioned Lutheran ceremony Tom Pfaehler claimed Taffy Engelhardt as his bride. The young couple entered the Redeemer Lutheran Church of Waukegan together and made their way to the altar where the Reverend Bernard Bruch joined them in holy matrimony.

The bridegroom's parents Mr. and Mrs. Carl Pfaehler were here from Mechanicsburg, Pennsylvania. Taffy is the daughter of Mr. and Mrs. Dale Neelans of Antioch and Mr. Arthur Engelhardt of Waterloo, Iowa.

The bride wore an organza gown with an allencor lace trimmed bodice with a high neck, trimmed in pearls. Her floor length mantilla veil was trimmed in lace. All of the attendants dresses were made by her mother and they all carried nosegay bouquets. Sherri Engelhardt was her

sister's maid of honor and bridesmaids were Catherine Dana of California and Marilyn Pfaehler, the groom's sister-in-law, of Indiana. Tara Pichelmann was flower girl and rice girls were Nancy Pichelmann, Dee Dee Neelans, Debbie Neelans and Sandy Haven.

The best man was Todd Behne and groomsmen were Duayne Engelhardt, the bride's brother and George Pfaehler, the groom's brother. Shannon Fritcher was the ring bearer.

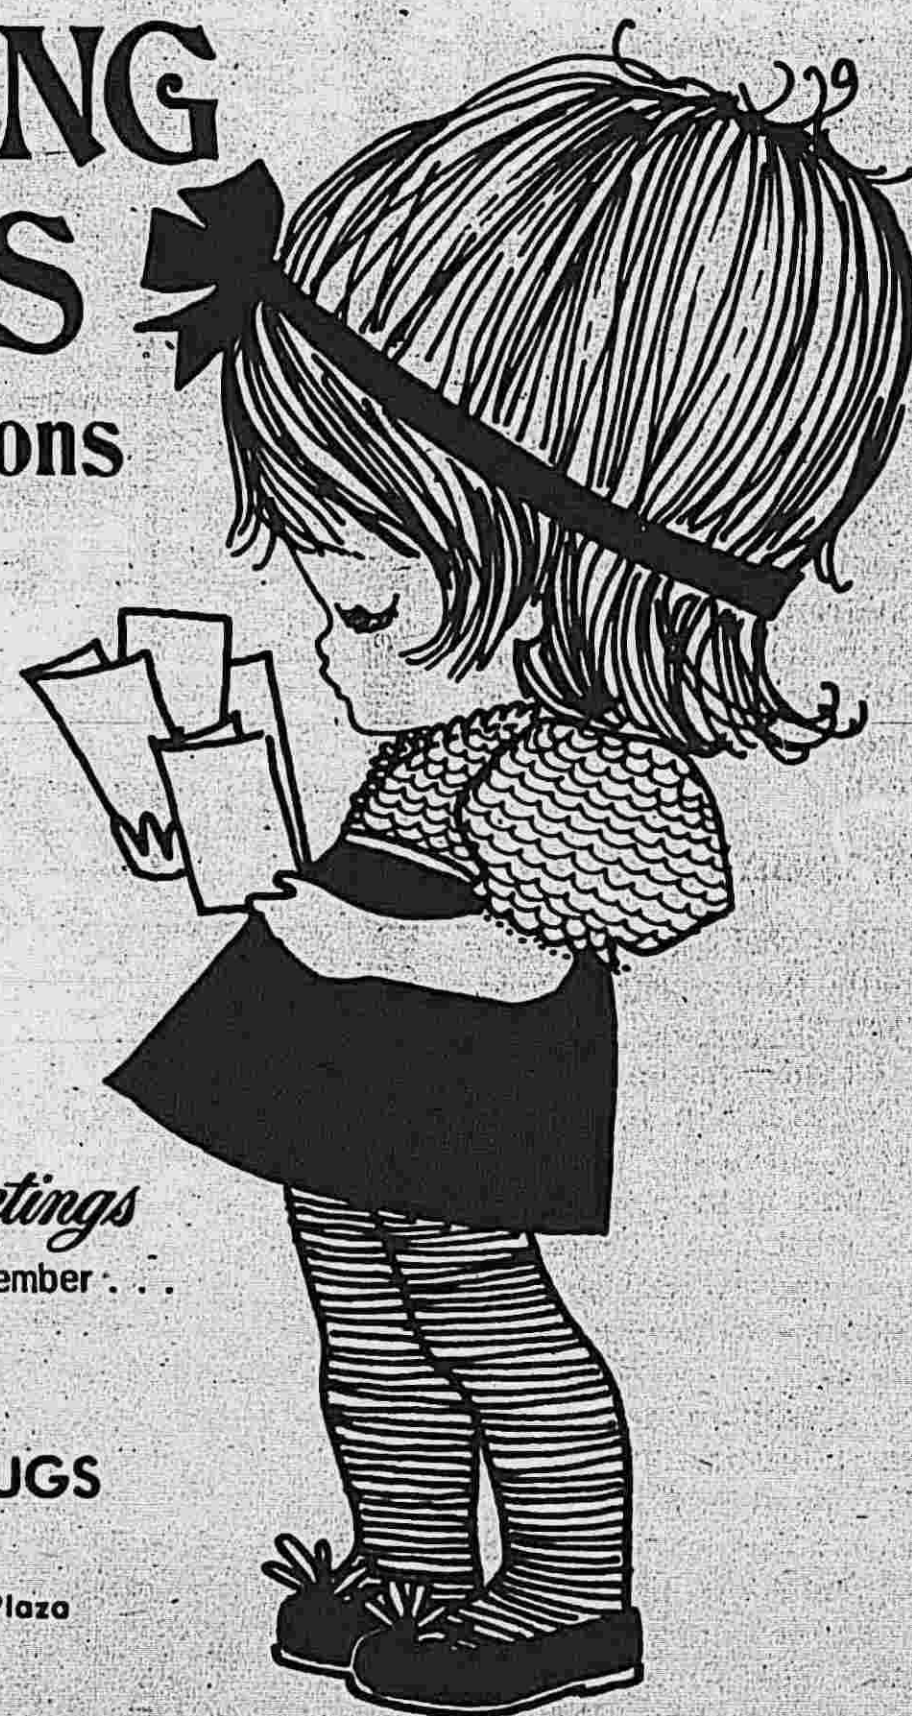

Following the ceremony the couple were feted at a reception in the Union Hall in Waukegan. The brides family made and served all of the food for the reception.

After a honeymoon in the Wisconsin Dells area the young people will make their home in Waukegan.

Taffy and Tom are 1973 graduates of Antioch Community High School.

★ Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

"I like Antioch and feel I have watched it grow from a very small winter 'family' town with a very large summer population to a very nice, friendly, progressive community."

This statement expresses the feeling of Garnet Cook, a VIP Dispatcher who has been with the Antioch Police Dept. for eight years. The Cook family includes Deputy Vern Cook, four children, 15 fish and their bird, Uncle Sam.

Garnet Cook's involvement with the Police began when the department was being formed with regular hours and a full-time staff.

Since that time she has

watched our village grow and has come in contact with a great many Antioch residents.

Garnet especially enjoys community projects, such as the Lions Club picnic, PM&L and Chamber of Commerce projects.

She feels she must treat each call to the Police regardless of how minor or routine it may be to the dispatcher, as a real problem to the complainant. The first contact the community has with the Police is usually the dispatcher and, therefore, the image of the Police Dept. can be created through that person.

Garnet advises all callers to "stay calm" when calling and with her expert assistance a contact with the Police will be a pleasant experience.

BRINGS YOU

SEPT. 9-15, 1974

Clouds race space, brisk and bright all right.

Trees are starting to turn now ... Uncle Sam born Sept. 13, 1766 ... Third quarter of the moon Sept. 9, and a new moon Sept. 15 ... The autumnal migration of the birds is now at its height ... Average length of days for the week, 12 hours, 42 minutes ... C. Columbus finally back in Spain Sept. 12, 1504 ... Cranberries are harvested now ... Two sparrows on the same ear of corn are not long friends.
Old Farmer's Riddle: What changes a pear into a pearl? (Answer below.)

Ask the old Farmer: What is the origin of the term "Indian giver"? Does it really have anything to do with Indians? B. G., Worcester, Mass.

According to the tradition, the Indian understood swapping and honored such a trade. But if he gave anything to another, he retained his interest in it, and felt free to take it back if he felt like it.

Home Hint: If you want to keep suede shoes looking fresh, rub them with a piece of stale rye bread after each wearing ... Riddle answer: The letter "L"

Tea hasn't always been a beverage. The ancient Chinese and early American colonists used it as a relish. Even today, some Oriental people relish it that way!

School Free Meal & Milk Policy

Antioch Community High School, Antioch Consolidated School District No. 34, Emmons Grade School, Grass Lake School District No. 36 and St. Peters Catholic Grade School announce their policy for Free Meals & Free Milk for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast & Special Milk Programs.

Local school officials have adopted the following family size and income criteria for determining eligibility: one, \$2,910; two, \$3,830; three, \$4,740; four, \$5,640; five, \$6,480; six, \$7,310; seven, \$8,060; eight, \$8,810; nine, \$9,510; ten, \$10,190; eleven, \$10,860; twelve, \$11,530; each additional family member \$670.

Children from families whose income is at or below the levels shown are eligible for Free Meals and Free Milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his race, sex, color, or national origin.

United Way Needs Volunteers

People who are willing to help their neighbor in an emergency are needed by the Volunteer Service Bureau of United Way (VSB). The VSB would like to establish a listing of volunteers in each community that the bureau could call when an agency in that area needed help with a client.

Anyone interested in helping is asked to call the United Way office and arrange for an interview with Ellie Rostron, the director.

this elusive problem - are the subjects of credit policies, interest rates, and the money supply. These subjects, which are more often discussed by bankers and economists, have a direct relation to governmental action through the Federal Reserve Bank, which has maintained an increase in money supply since 1970 at more than 6 percent per year in contrast to a 4.2 percent

average during the preceding decade.

In the event of any threatened increase in unemployment, pressures will mount in the Congress for a public employment program to take up the slack. While any such program would be more symbolic than practical, it would nevertheless reflect Congressional concern and could help produce a more

favorable public reaction.

Because of the complexity of inflation and the variety of points of view which are being expressed, the President has very wisely called for an Economic Summit Meeting, at which economists from both the public and private sectors will be joined by representatives from industry and labor. It is assumed that the conference proceedings will be presented in public - on live TV. Such a conference should provide a much broader public awareness of the problems of inflation and hopefully would shed light on possible solutions to the number one problem facing our Nation.

What is frequently misunderstood is that inflation is not

simply a national issue but one which appears to be affecting every nation in the world - even conservative Switzerland, and the great industrial nations of West Germany and Japan where even higher rates of inflation are being recorded.

It would be quite unacceptable to lay the blame for inflation on the public. Still, it should be acknowledged that for any Federal programs to be successful, there must be broad public support. In considering President Ford's good relations with the Congress, there is reason to believe that his recommendations will receive thoughtful attention there as well as substantial public support.

"Fortunately, Norwood was able to put his brief interest in golf to good use."

Your Guide to Fine Dining and Excellent Entertainment

THE Entertainer

TONY & LILL'S NEW LOOK has made the Antioch restaurant more popular than ever for area restaurant-goers. In addition to a new, attractive front, there is a new double-door vestibule and new lighting for the spacious parking lot. Tony & Lill's opens everyday except Monday at 4:30 p.m. and features pizza and Italian foods.

The Town Crier

Hear ye!

I see "The Sting" is playing at the Antioch theater. Best movie I ever saw. If you haven't seen it, don't miss this chance. (Previously, my favorite motion picture was "Dawn Patrol." If you don't remember that one, you're still a kid.)

HOW DO YOU pronounce it? We've heard lost of folks in this town say Annie-ock? Shouldn't Antioch be pronounced "Antiock?"

And, by the way, who was the original Annie Mae? We'd sure be interested in finding out. If that delightful column doesn't appear in this issue of the Antioch News, don't worry, it will be back next week.

Things were kind of quiet around here over the Labor Day weekend.

DON'T MISS the football contest on page 15. The Town Crier picks Antioch to beat Round Lake 20-13. But he can't enter the contest because he works for the newspaper. (Well, once in a while he's been known to work.)

NOWADAYS ONE of the chief

problems is trying to work in a little sick leave between the three-day weekends.

If what happens on the football field happened in the stands they'd call it a riot.

Nowadays the guy who works his way through college has to keep the same job after he graduates.

"Write your name in kindness, love, and mercy on the hearts of thousands you come in contact with year by year, and you will never be forgotten.—Your name and your good deeds will shine as the stars of heaven." Thomas Chalmers, 1780-1847

Lindenhurst News

By SANDI CHRISTMAN

CALLING ALL VOLLEYBALL ENTHUSIASTS! Registration for men's and women's volleyball leagues, sponsored by the Lindenhurst Citizen's Recreation Committee, will be held from Monday, Sept. 8, thru Friday, Sept. 13, at the Village Hall for all Village residents. Registration will be by teams; captains (or any team member) may register by picking up the necessary forms and returning them with a \$25 team fee to the Village Hall by Friday, Sept. 13, or to Cheryl Epner, 2504 Timber Lane, by Monday, Sept. 16.

The team fee covers the cost of janitorial services and tournament awards. Individuals may register by calling

Cheryl Epner at 356-7223 after 5:30 during the registration period. Individuals will be assigned to a team. Teams should have no less than 8 members and no more than 15. Games will be at B. J. Hooper Grade School from 7:30 to 9:30 on Thursday evenings. Women will play the first and third Thursdays, and men will play the second and fourth Thursdays of each month. Volleyball begins Thursday evening, Sept. 26, and the season will end in May.

Come out and join the fun!

THE REGULAR monthly meeting of the Lindenhurst Men's Club is Thursday, Sept. 5, at 8 p.m. at the Lindenhurst Civic Center. Men living in the village are welcome.

St. Ignatius Sunday School Scheduled

St. Ignatius Church of 983 Main Street will resume Sunday School classes on Sept. 8 at 9:30 a.m. for age 3 through high school.

New this year will be a high school course entitled "Defend your faith."

Second grade through high school students attend class for the first portion of the period, then go into church at the Offertory for the remainder of the Eucharist to stress the importance of receiving Communion.

Parents wishing to register their children should bring them this Sunday.

CHRISTIAN SCIENCE CHURCH

In the Bible in St. Matthew 8, we read how Jesus healed the servant of the centurion, because of his faith.

In the Lesson-Sermon, "MAN" this Sunday at First Church of Christ, Scientist the first reader, Mrs. Barbara Conzelman, reads from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy, this commentary: "Every law of matter or the body, supposed to govern man, is rendered null and void by the law of Life, God. If God had instituted material laws to govern man, disobedience to which would have made man ill, Jesus would not have disregarded those laws by healing in direct oppositoin to them and in defiance of all material conditions."

Services begin at 11 a.m. at First Church of Christ, Scientist Rte. 173 and Harden, Antioch, Illinois, and the public is always invited. Care for children is provided.

sor, a Genealogy Seminar on Friday, Sept. 20, at 7:30. The seminar will be at the Waukegan Public Library and Miss Lynette Sherman, a professional genealogist, is guest speaker. No admission charge. Everyone is invited.

If you happen to be an alumni of the Beta Sigma Phi Sorority you will be happy to know there is an Antioch Chapter that incorporates the Lindenhurst area. The group has 16 members and works on various community service projects including the making of learning aides for Oakland Grade School, handing out newsletters for the library and putting up posters for the College of Lake County, advertising college events for the public.

THE NEXT village board meeting will be Monday night, Sept. 8, at the Civic Center at 8.

The Lakeland Welcome Wagon will begin its fall program on Monday, Sept. 8, at 7:30 at the Grandwood Park Civic Building. Newcomers to the area are invited. Dues must be paid at that time by any members wishing to have their names in the roster for the coming year.

Some people believe that adding hay flowers to their baths will cure toothache.

"As ye sow, so shall ye reap," says the Bible (Galatians 6:7), and you couldn't ask for better advice on how to create a lawn that will make the neighbors green with envy.

It's important to know when to sow, what to sow, and how to sow.

When. Fall is the best season for sowing grass seed.

It is still warm enough for the seeds to germinate, but cool enough for maximum seed growth.

What. Merion Bluegrass is the premium grass seed, and the best mixtures are those that contain at least 40 percent Merion. Merion has long roots and broad dark leaves that add a subtle blade of contrast to your lawn. Merion needs less moisture than other grasses, has small seeds, crowds out weeds, and keeps its deep color all season long.

How. Use a spreader to sow the seed so that it drops easily at the rate you require. Water immediately and keep the topsoil moist until the seeds germinate.

SPORTS

the Pfarr Corner

My kind of athlete

By JERRY PFARR

I never would have made a good football coach. I like good losers.

For example, just by coincidence, the other day I ran into my old friend, Bob Lee. Talk about losers.

If you never heard of Bob Lee, it's because he never made it.

He was one of the best high school baseball pitchers in Wisconsin one year and then signed with the old Milwaukee Braves farm system.

He had one good year, then hurt his arm and gradually pitched himself out of the minor leagues.

NOW HE'S A PLUMBER and says he got interested in pipes because he was sent to the showers so often.

Bob Lee is more than a plumber; he's a born comedian. Some major league club ought to hire him as a goodwill man who goes around giving speeches.

He looks and acts so much like Dick Martin of television's "Laugh-In" that

when they bumped into each other at the State Fair this summer Martin insisted they have their picture taken together. They looked like twins and newspapers used the picture.

BOB LEE LIKES to recall with pride his pitching career.

"I was elected to the Northern League Hall of Shame," he brags. "I also set league records for backing up third base and for wearing out gloves by slamming them down on the mound."

"I was so outstanding that my manager could never find me. I was always out standing someplace."

"Oh, yes, I also led the league in ducking pop bottles and kicking water coolers." But what was pitcher Bob Lee's biggest accomplishment?

"That's hard to say, because I've had so many honors. But I do remember being named most valuable player by the opposing team three years running."

'Pub' Wins Slowpitch Title

Antioch's "World Famous Village Pub" team won 12 straight games this season to capture the Men's, Thursday night 12-inch slowpitch softball championship at Dug Out Park. Walsh's All-Seasons was second with a 9-3 record, Blarney Island third with 7-5 and Lyons-Ryan Ford fourth with 6-6.

In the Tuesday night 12-inch league, Parkview topped the

standings with an 11-1 record, followed by Village Pub with 10-2, Walsh's with 7-5 and Grass Lake Lumber with 5-7.

Furlan's Dug-Out Inn won the women's 16-inch title with a 10-2 record.

In Dug Out Park's first annual women's 12-inch tournament, the Miss-fits of Antioch won in the finals over St. Matthew's of Kenosha.

THIS SATURDAY and Sunday

Dug Out Park will host a 16-inch men's tournament. It is single elimination and more information can be obtained by calling Tom Furlan at 414-862-9136.

Field Hockey New Sport for ACHS Girls

Antioch High School's new girls field hockey team will open its first season Monday with a 4:30 home match against Woodstock.

3 More Weekends at Wilmot Track

WILMOT, Wis. -- Ron Marish, the current Interstates Racing Association point leader, won the overall title in the twin 35-lap events for Super Modifieds at Kenosha County Speedway last Saturday.

Marish of Milwaukee won the first race and Dick Colburn of Muskego, Wis., won the second. Marish, by placing fourth in the second race, scored more points than any other driver.

Dick St. John of Milwaukee had the fast time of 17.2 seconds (63.6 mph), breaking his own track record. St. John was second in one of the 35-lap

features and now ranks second in points at Wilmot.

On Sept. 21 an IRA Invitational Race will be held with modifieds coming from throughout the Midwest because other tracks have finished their seasons. On Sept. 22 a Sunday afternoon, midget autos will make their first appearance here with about 60 cars expected.

Excitement Galore at Waukegan Track

Bob Roper won the Carling 50-lap race Sunday night at the Waukegan Speedway and also took the track championship for the late model super stock cars in one of the wildest nights of racing ever to go into the record books at the Waukegan oval.

The first 17 laps looked more like a grudge-race than a feature as Roper and Dave Evans ran their own separate race for the championship. Bobby Wawak led the first four laps before Evans dumped him into the infield with Roper taking second behind Evans.

In the 11th lap Evans ended up in the second turn wall as Roper took the lead. Evans restarted two laps later and tried to block Roper's progress through the third turn and promptly ended up on top of the third turn wall.

As the red came out, Roper had to dodge a 55-gallon drum of garbage which flew out of the pits. Evans jumped in Tom Talbot's car and restarted the race.

In the 17th lap Evans dropped back and intentionally spun Roper bringing out the red flag again and the black flag for the season for Evans. Evans was later taken to the hospital for treatment of a back injury.

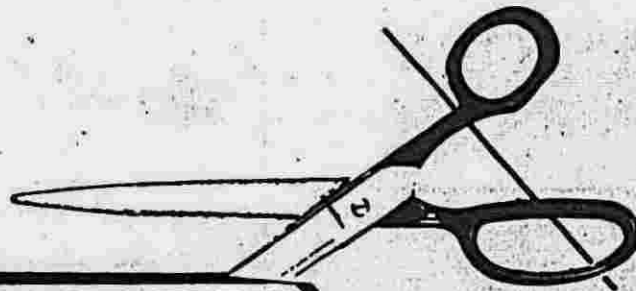

The balance of September will see Saturday night racing, only, at the Waukegan quarter-mile with open competition rules in effect. Time trials start at 7:15 and the first race at 8:00.
